Free transport facilities provided by the management of Trinity Academy for the staff and students to appear for their SWAYAM online examinations

The SWAYAM Portal has been created by the Ministry of Human Resource Development and the All India Council for Technical Education with the aid of Microsoft. These SWAYAM courses are an important platform for learners to ameliorate that intelligence and obtain more specialized skills in their area. It is very useful to all learners. We motivate our faculty and students to complete SWAYAM courses for their future growth. In this regard, our faculty members and students have appeared in the SWAYAM examinations held on April 20th, 21st, 27th, and 28th, 2024, in the centres of Karur, Erode, Tiruchengode and Rasipuram. Our management (Trinity Academy) has provided either free transport facilities or bus fares for the sake of students and faculty members who have appeared in the SWAYAM online examinations on those days.
