1	B.Sc., CHEMISTRY	2019- 2022	P.KEERTHIG A	M.Sc., MANAGEMENT WITH PDP MODULE (18 MONTHS COURSE)STUDYING IN UK BPP UNIVERSITY IN MANCHSTER CAMPUS.		From 2019 to 2022, I pursued a Bachelor of Science degree in Chemistry at Namakkal - Trinity College for Women. I gained significant experience in my studies. The English Communication Skills program impressed me with its structured approach. Now, I am in Manchester, United Kingdom, pursuing my MSc in Management with ODP at BPP University. Both Trinity and my growth have played

a significant role in my journey.

HA

PG DIP IN
SUSTAINABLE
SOCAL DEV.
THE GANDHIGRAM
RURAL INSTITUTE

I know that chemistry courses are still in demand. I chose and studied BSc Chemistry for my undergraduate degree at my favorite Trinity College. After completing my undergraduate degree in 2022, I pursued a Post Graduate Diploma in Sustainable Social Development at Gandhigram Rural

						<p>University, Dindigul District, which is under the control of the Government of India. I wholeheartedly thank Trinity College for providing me with a strong foundation.</p>
6	B.Sc., CHEMISTRY	2017-2020	N.BAVADHA RSHINI	UNIVERSITY OF GREENWICH(LONDON) COURSE-MBA WORK-RUNNING DUCATION CONSULTANCY		<p>After completing my B.Sc. in Chemistry at Trinity Women's College in 2020, the world faced the COVID-19 pandemic. Following the impact of COVID-19, I am currently pursuing an MBA at the University of Greenwich in London. I have a strong desire to achieve something significant in life.</p>

						<p>The foundation for this ambition was laid by Trinity College for Women.</p>
7	B.Sc., CHEMISTRY	2017-2020	V.PAVITHRA	<p>M.Sc.,INTERNATIONAL BUSINESS MANAGEMNT,UNIVERSITY OF ABERDEEN,SCOTLAND, UNITED KINGDOM.</p>		<p>It was Trinity College for Women that taught me that with patience, hard work, and relentless effort, anything can be achieved. When I informed my professors and department heads that I was going to pursue an M.Sc in International Business Management in the United Kingdom, they provided me with immense encouragement. They immediately awarded me a letter of recommendation as an outstanding student. Now, I am</p>

pursuing my course at the University of Aberdeen in Scotland. I am deeply grateful and would like to express my sincere thanks.

B.Sc.,
CHEMISTRY

2017-
2020

R.KARTHIHA

ASSISTANT
PROFESSOR IN
CHEMISTRY,
GANDH COLLEGE OF
ARTS AND SCIENCE
FOR WOMEN,
N.KANDAMPALAYAM.

When I pursued post-graduation at Trinity Women's College, Namakkal, I aspired to become a college professor. After completing my M.Sc. Chemistry, I was accepted into one of the Periyar University affiliated Colleges, Salem, working as an assistant professor in Chemistry at Gandhi College of Arts and Science for Women, located in Nallur Kandampalayam,

						Paramathi Velur Taluk, Namakkal District. I am in regular contact with the college faculty members and superiors regarding my research work.
12	B.Sc., CHEMISTRY M.Sc., CHEMISTRY	2017- 2020 2020- 2022	J.MEGAPRIY A	Ph.D RESEARCH SCHOLAR, DEPARTMENT OF CHEMISTRY, PERIYAR UNIVERSITY,SALEM.		I attended Trinity College for duration of five years, during which I acquired substantial knowledge. While studying in the Chemistry department, faculty members encouraged me to pursue research-oriented topics beyond post-graduation, which greatly inspired me. Presently, I am pursuing a Ph.D., in Chemistry at Periyar University

in Salem. Upon completion of my doctoral studies, I aspire to engage in social initiatives. Trinity College stands out as the ideal institution for pursuing any postgraduate education.

Trinity College for Women, Namakkal stands out as one of the notable institutes for women to pursue their postgraduate degrees. In 2017–2020, I studied B.Sc. Chemistry at Trinity College. Upon completing my undergraduate studies, I am now employed as an assistant professor in the Department of Chemistry at the renowned

13

CHEMISTRY

2017-
2020

C.RAMYA

ASSISTANT
PROFESSOR IN
CHEMISTRY,
SENGUNTHAR ARTS
AND SCIENCE
COLLEGE.
TIRUCHENGODE.

						<p>Sengunthar Arts and Science College in Tiruchengode, Namakkal District. I have gained valuable professional skills, including soft skills, through my education at Periyar University. This Trinity College's faculty members have played a significant role in my development.</p>
14	B.Sc., CHEMISTRY	2019-2022	P.SOWNTHA RYA	<p>M.Sc., CHEMISTRY BHARATHIDASAN UNIVERSITY, TRICHY. E-MAIL ID: sowntharya23@gmail.com MOBILE NUMBER : 9500238911</p>		<p>In 2019, when I joined Trinity Women's College, I didn't have a plan for my future. However, after studying at this college for three years, I gained confidence. Now, I am pursuing my</p>

						<p>MSc in Chemistry at Trichy-Bharathidasan University. Studying at Trinity College is something I will never forget in my life.</p>
15	<p>B.Sc., CHEMISTRY</p> <p>M.Sc., CHEMISTRY</p>	<p>2019-2022</p> <p>2022-2024</p>	<p>T.MEIYAZAH I NACHIYA</p>	<p>ASSISTANT PROFESSOR IN CHEMISTRY,JAIRAMS ARTS AND SCIENCE COLLEGE, NH7 MADURAI BYPASS ROAD, AATTAMPARAPPU, KAKKAVADI(PO), KARUR-639003.</p>		<p>The five years I have spent at Trinity College are the most memorable in my life. While I am doing my degree, I have the habit of participating in various conferences and seminars not only at our college but at other colleges too, with the accompaniment of our teachers. This made me learn so much about new things and the</p>

outside world. When I was writing my final semester in my PG, I got an opportunity from Karur-Jayaram's College to attend the interview. I attended the interview with confidence, and I was selected immediately. I wholeheartedly thank my college for making me what I am.

16

M.Sc.,
CHEMISTRY

2022-
2024

M.DEEPIKA

ASSISTANT
PROFESSOR IN
CHEMISTRY,JAIRAMS
ARTS AND SCIENCE
COLLEGE,
NH7 MADURAI
BYPASS ROAD,
AATTAMPARAPPU,
KAKKAVADI(PO),
KARUR-639003.

I don't know how many of them got jobs immediately after completing their PG. I am from Paramathi-Velur, Namakkal District. I applied for the post of assistant professor at Karur-Jayaram's College, and they called me

						<p>for the interview after 4 days. While I am studying in Trinity, I have taken the ESI (Enhancement of Student's Intelligence) classes for my juniors. That's why it was very useful for me to attend the interview. And I have also taken a seminar without any stage fright. That was very useful for me to do my interview very well. I took 45 minutes of class during my interview, and they were all satisfied with my performance, so I was appointed immediately. I sincerely thank Trinity College.</p>
