

TRINITY COLLEGE FOR WOMEN NAMAKKAL

Department of English

FUNCTIONAL ENGLISH

24UENF01 –ODD Semester

Presented by

K.KEERTHANA ,Assistant Professor

Department of English.

<http://www.trinitycollegenkl.edu.in/>

Functional English is the study of how to use the English language in real-life situations, such as for academic study or career progression.

It involves learning how to speak, write, listen, and read English in a way that's

Effective, and confident.

Functional English is the use of the English language

to perform a specific function, such as in academic study or career progression.

It provides the skills and knowledge needed to operate effectively and

independently in life and at work.

Listening: More than just listening and responding

Speaking: Includes linguistic and communicative skills

Reading: An important element of functional English

Writing: An important element of functional English

Listening involves receiving sound, understanding the message conveyed in the sounds you hear, evaluating the message, and responding to it.¹

People with good listening skills can excel at comprehending what they hear and responding appropriately.

Speaking skills are defined as the skills which allow us to communicate effectively. They give us the ability to convey information verbally and in a way that the listener can understand. Children will learn English speaking skills as well as speaking skills in other languages, in primary and secondary school.

Review grammar and spelling basics. Grammar and spelling form the foundation

Of good hand writing.

Read what you want to write. Knowing what finished writing can look like can

Guide our own.

Get feedback. .

Know some common fixes.

English reading skills

Vocabulary

Decoding

Understanding sentences

Summarising

Fluency

THANK YOU
