

About College and Department

Government Arts and Science College, Komarapalayam (Co-Education) affiliated to Periyar University, Salem, was established in the year 2013, and from its very inception it has been committed to provide quality and need based education to poor rural students of Komarapalayam and its surrounding areas. Initially it started with 5 U.G Courses [B.A Tamil, B.A English, B.Com, B.Sc Computer Science, B.Sc Mathematics]. In the year 2017-2018, 3 UG courses [B.Sc Physics, B.B.A, B.Sc Chemistry] and 5 P.G Courses [M.A Tamil, M.A English, M.Com, M.Sc Computer Science, M.Sc Mathematics] were started. More than 1200 Students are provided with quality academic programmes.

About the Conference

The **One Day National Conference on "Recent Developments in Chemistry and Material Science - 2025"** aims to bring together experts, researchers, and students to explore the latest advancements in the fields of chemistry and material science. The conference will focus on cutting-edge research, new materials, and innovative techniques that are transforming industries ranging from energy storage to nanotechnology. Key topics include sustainable chemistry, green materials, smart polymers, and the role of material science in the development of next-generation technologies. By providing a platform for knowledge exchange, the event will encourage interdisciplinary collaboration and foster innovation in tackling global challenges. Attendees will have the opportunity to engage in thought-provoking discussions, attend technical sessions, and participate in networking activities that aim to shape the future of these dynamic fields. The conference promises to be an enriching experience for those interested in the evolving landscape of chemistry and material science.

ONE DAY NATIONAL CONFERENCE

ON

RECENT DEVELOPMENTS IN CHEMISTRY AND
MATERIAL SCIENCE-2025

Sponsored by

TAMIL NADU STATE COUNCIL FOR HIGHER EDUCATION

24 January 2025

Venue: Seminar Hall

Conference Topics

- Synthesis and applications of nano materials
- Environmental research & Pollution abatement
- Energy production and storage
- Solar cell applications
- Applications of Biotechnology in pollution control
- Biodiversity and sustainable development
- Novel methods for water treatment
- Current Research in all branch of chemistry
- Photo catalysis and Adsorption
- Fuel cells/ Renewable energy systems
- Material science
- Solid waste management
- Medicine and health care

Call for Papers

Students and faculty members from educational and research institutions across India with relevant background can submit a copy of Abstract (100-150 words, diagrams may be added of size 5 cm × 4 cm) along with the duly filled in registration form should reach the convener, on or before 17.01.2025. A soft copy must be send to chegsckpm@gmail.com. Abstracts received after the aforesaid date will not be considered. The name(s) and address(es) should follow the title of the Abstract. The Principal author should be marked with an asterisk(*) and the author who would be presenting the paper should be underlined. Not more than two papers will be accepted from any author. Poster Specification: 1m × 1m space would be provided for each poster. Special awards will be given for the best presenters in oral and poster.

Registration Fee

Registration Fee: Rs. 200.00 for Faculty and Students. The fee should be paid along with the application form. Refreshments and lunch will be provided at the seminar venue.

Important Dates

Last date for receipt of Applications : 17.01.2025
Intimation of selection through e-mail : 20.01.2025
